

Awakening

Passion, Love and Freedom

Aspen, Colorado September 28th & 29th, 2019

A Workshop for Courageous People Who Want to Change Their Lives

“Your task is not to seek for love, but merely to seek and find the barriers within yourself you have built against it.”
RUMI

You will be supported through honest, loving self-exposure, unique exercises and special meditations to:

- Connect with your true essence and authentic self
- Ignite a passion to live with an open and honest heart
- Transcend internal barriers and find liberation
- Realize your full human and spiritual potential

From this place of self love and trust, life becomes an invitation into the unknown and anything is possible.
